On 21 September 2011 the Company concluded with PCC SE an investment contract regarding establishment of a plan for completion of a Reverse SPO transaction. The conclusion of this contract was announced by the Company in the current report no. 48/2011.

It was established that the Reverse SPO would consist in:

1. Selling by PCC SE of $14,434,444$ of existing ordinary bearer shares, dematerialised, designated in the National Deposit for Securities with the code: ISIN PLPCCIM00014, through the agency of Trigon Dom Maklerski S.A. ('Trigon'), as a result of an accelerated book building on the basis of offers for purchase of shares from institutional investors,
2. Taking over by PCC SE, in a private issue, for the equivalent of the financial resources acquired by PCC SE from sales, of the same number of new issue ordinary bearer shares of the nominal value of PLN 1 each ('New Shares'), at issue price equal to the price of the shares sold by PCC SE,
3. Amending the Company's Articles of Association ('Articles of Association') by introducing into it an authorisation for the management board of the Company to increase the share capital of the Company within the authorised capital, up to the amount of PLN 82.000.000, as a result of which the Company will be able to increase the share capital within the authorised capital by issuing new shares, with the use of the subscription warrant mechanism,
4. Immediate floating of New Shares in the primary market organised by Giełda Papierów Wartościowych w Warszawie S.A. (Warsaw Stock Exchange).

PCC undertook in particular to acquire (free of charge) for the subscription warrants which authorise it to acquire the New Shares as well as to acquire and pay for the New Shares as execution of the rights arising out of the said warrants.

The contract was concluded under the following, jointly reserved, conditions precedent:

- proper convention by the Company's Management Board of a general meeting, the agenda of which would include the amendment of the Articles of Association referred to above
- submission by PCC SE of a sales order, acceptance of that sales order by Trigon and completion of the sales transaction,
- proper adoption by the general meeting of a resolution to amend the Articles of Association referred to above,
- registration by the registration court of the amendment to the Articles of Association referred to above,
- proper adoption by the Management Board and the Supervisory Board of resolutions, based on which the shares and warrants referred to above would be issued.

On 18 October 2011 an Extraordinary General Meeting of Shareholders of PCC Intermodal S.A. was held during which a resolution was passed concerning granting of an authorisation by the General Meeting to the Management Board to increase the share capital of the Company within the authorised capital and on the amendment to the Articles of Association.

On 21 October 2011 the Company's Management Board was informed about the selling by PCC SE, under an OTC block trade, of 10.000.000 million of dematerialised bearer shares for PLN 4.40 each.

At the moment the Management Board of the Company is taking action to ensure registration of the amendment of Articles of Association to introduce the authorised capital and adoption (after the registration) of resolutions on the issue of subscription warrants and shares in a number equal to the number of shares sold by PCC SE - in order to offer their acquisition to PCC SE. Afterwards the Management Board will submit to PCC SE an offer of acquisition of 10,000,000 (ten million) subscription warrants giving the right to acquire $10,000,000$ (ten million) bearer shares with a nominal value 1.00 PLN each, with the issue price equal to the selling price - i.e. at a price of 4.40 PLN per 1 share.

Due to the fact that the financial statement drawn up for the date of 30 June 2011 indicated a loss exceeding the total of the supplementary capital and reserve capitals and one third of the share capital, on 18 October 2011 the said Extraordinary General Meeting of Shareholders of the Company passed a resolution on further operation of the Company.
