\* The rail (freight) transport and related handling operations: wagon-wagon, wagon-yard, yard-wagon are allowed.  
The prohibition refers to road transport and handling operations: yard-truck, truck-yard, truck-truck. Those handlings are allowed in emergency situations only and, in each case, conditions must be determined by PCC for a specific case.

Above document is an appendix to the General Terms of Intermodal Transport Arrangement.  
Last update: July 2019.
